1. In view of the interest Subject expressed in Ukrainin newspapers, we are forwarding UNDER SEPARATE COVER some Utrailiterature which might be passed to him via The all published under Project AERODYNAMIC for distribution to but it is all overt and also sold in the West through book as are frequented by Ukrainian emigres and on a subscription being publisher. We leave we to your discretion the best cover to source for the literature. Perhaps he had put himself on the mailing list of the printer. We required collaboration between the publisher and WOFACT be protected iterature not be passed if there is danger of such exposure is nationalist in content but not hostile or malicious. It objectively to analyze Soviet realities by acknowledging any progress made under the Soviet system and supporting all cri convincing evidence. The journal contains material of liter historical and political nature of interest to both Soviet as Ukrainians and suthored by individuals of various political literaquently contains literature translated into Ukrainian Western languages. 2. It may very well be that Subject is not interested standpoint at all. However, if finds the Subject accept the literature being forwarded, if is felt he will fin whatever his motive for requesting it happens to be. In the the Subject will find information not only about emigre persactivities but also information about Soviet personalities at past and present, not otherwise available to him. 3. To our knowledge, there is no Ukrainian-language nein Rio. There is a weekly newspaper, KHLIBOROB, published in ESTAVAO V. KOBYLANSKY, rus Emiliano Perneta 665, Apt. 1301. be described as a political organ of the local OUN/Melnick (Organization of Ukrainian Mationalists/Melnick faction) organization and strongly rightist in view. It is not known what outlet there is for the publication, except for the editor and publisher, KOBYLANSKY, who seems to use his home address as the address for the newspaper. Other Curitiba Ukrainian-language publications are those published by the local Basilian Fathers and theological students, PRATSYA, TSVIRKUN and BDZHILKA.
